Creators of the world exclusive Hardshell Leather Flying Helmets

EAA Airventure Oshkosh July 2010

Another Oshkosh airshow rapidly approaches! We look forward to seeing you all there again and meeting some new faces. We are in the same booth as usual in Exhibit Hangar B.

EAA Airventure Oshkosh 2010, Hangar B, Booth 2103...see you there!

...HELMET HINTS...

Oregon Aero SoftSeal® Ear Cushions

We are now offering the Oregon Aero ear cushions as an option on all helmets. You can also upgrade your existing helmet with these. They offer improved comfort and longevity - "Our visco-elastic foam ear cushions have 200-300% more volume for total comfort. They conform to your head, eliminating pressure and pain. Outside synthetic leather covering, inside composite visco-elastic foam core." -Oregon Aero. Contact us today for more info...

...IN BRIEF...

The Campbell Aero Classics website has recently been updated. Particularly of interest is the Helmets page where you can now view the different leather and goggle options, as well as the flick down peak and neck nape options now available...check it out!

Russian Warbirds downunder in Wanaka

Pictured here are two well known Warbirds flown over Wanaka by Campbell Aero Classics Helmet clients John Lamont in the La-9 (right) and Arthur Dovey in the Yak 3 (below).

John Lamont, an airshow display pilot, wears a Warbird helmet without the mask and Arthur Dovey is wearing a Pacific helmet. These stunning shots were taken by Gavin Conroy. (www.capphotography.ifp3.com)

Another great Wanaka Airshow has been and gone, with stunning performances by the Wingwalking team Friedel and Peggy, and a rare encounter with the Japanese Zero. The Campbell Helmets are worn by airshow pilots around the world.
