## The Original Classic Leather Hard Shell Flying Helmet

### The Classic

#### *Relive the Golden Era of Aviation*

This very popular helmet has been endorsed and acclaimed by warbird, classic, and sport aviators worldwide. A choice of five leather styles. Optional flick down peak (shown left) and neck nape. Can also be upgraded to the mask style (Warbird model).

### The Warbird

#### *The Ace Pilot's Signature*

This helmet comes complete with the fully adjustable leather face mask and integrated microphone. Ideal for open cockpit aircraft eliminating wind buffet, engine, and cockpit noise. Additional microphone supplied to change from mask to boom.

### The Pacific

#### *Superbly Crafted Premium Model*

Based on the WWII Pacific Theatre helmet, featuring beige leather, dark green mask, and reinforced chin strap. Finished with striking black ear domes, flick down peak, and cut away rear neck line. Additional microphone supplied to change from mask to boom.

### The Vintage

#### *A Touch of Class*

A stunning helmet with its distinctive air of elegance. Featuring the beige leather, with red or tan trim options, and a reinforced chin strap. Matching beige or antique brass goggles complete the picture. Keeping alive the passion, adventure, and romance of aviation.

- Hand laid custom fit lightweight Kevlar and carbon fibre high impact shell, with energy absorbing linings.
- Genuine New Zealand leather outer in a choice of antique or finished brown, white, beige, and black.
- Quality custom American patented PNR impedance switchable avionics, fitted with a noise cancelling microphone ideal for high noise environments and featuring an in-line safety egress cord and six foot lead.
- World War II Halcyon flying goggles in either the Mk 8 split lens, or the Mk 410 oval lens, in a range of different colours.
- And completing the kit - a sturdy canvas helmet bag, a 100% New Zealand merino wool flying scarf, helmet leather wax dressing, and a cap.
